Tip of the Week – Preventing Risk

CASE STUDY #22 PaSea H.EL.M.E.T. Marine Risk Assessment

RISK ELEMENT: SOLAS Training Manuals

MRA FINDING: SOLAS Training Manuals from different sources found onboard and none of them were updated.

REF. SOLAS III/35, SOLAS II-2/15.2.3, 16.2

SOLAS TRAINING MANUALS RELATING TO LIFE SAVING APPLIANCES, FIRE & FIRE SAFETY OPERATION ARE REQUIRED TO BE AVAILABLE IN THE CREW MESS & RECREATION ROOM. ALSO RECOMMENDED TO BE AVAILABLE IN CREW CABINS FOR FAMILIARIZATION & EASY REFERENCE.

IT IS SUGGESTED THAT SOLAS TRAINING MANUALS AVAILABLE ONBOARD ORIGINATE FROM ONE SOURCE AND ARE ALWAYS UPDATED.

Making Prevention A HABIT!
