PREVENTION AT SEA

New Partnership Announcement

Prevention at Sea Ltd and Propel Marine - Global Partnership for Maritime Audits

Prevention at Sea Ltd and Propel Marine Pty Ltd are thrilled to announce their collaboration, offering comprehensive Maritime Audits, Inspections, and Surveys worldwide.

This partnership reflects our shared commitment to providing high-quality, reliable services that focus on accuracy and consistency across all audit scopes and locations.

Key Benefits of Our Partnership include:

- **Our clients will benefit from the combined knowledge and experience of both companies.**
- **Constant analysis of findings to improve our services.**
- **Our Inspectors will be kept well-informed about the latest industry requirements to ensure consistency.**

While both companies will continue to operate independently, we will collaborate based on customer requirements to enhance safety, ensure regulatory compliance, and prevent business pitfalls for our clients.

We invite the maritime industry to support this initiative and join us in celebrating this exciting partnership.
